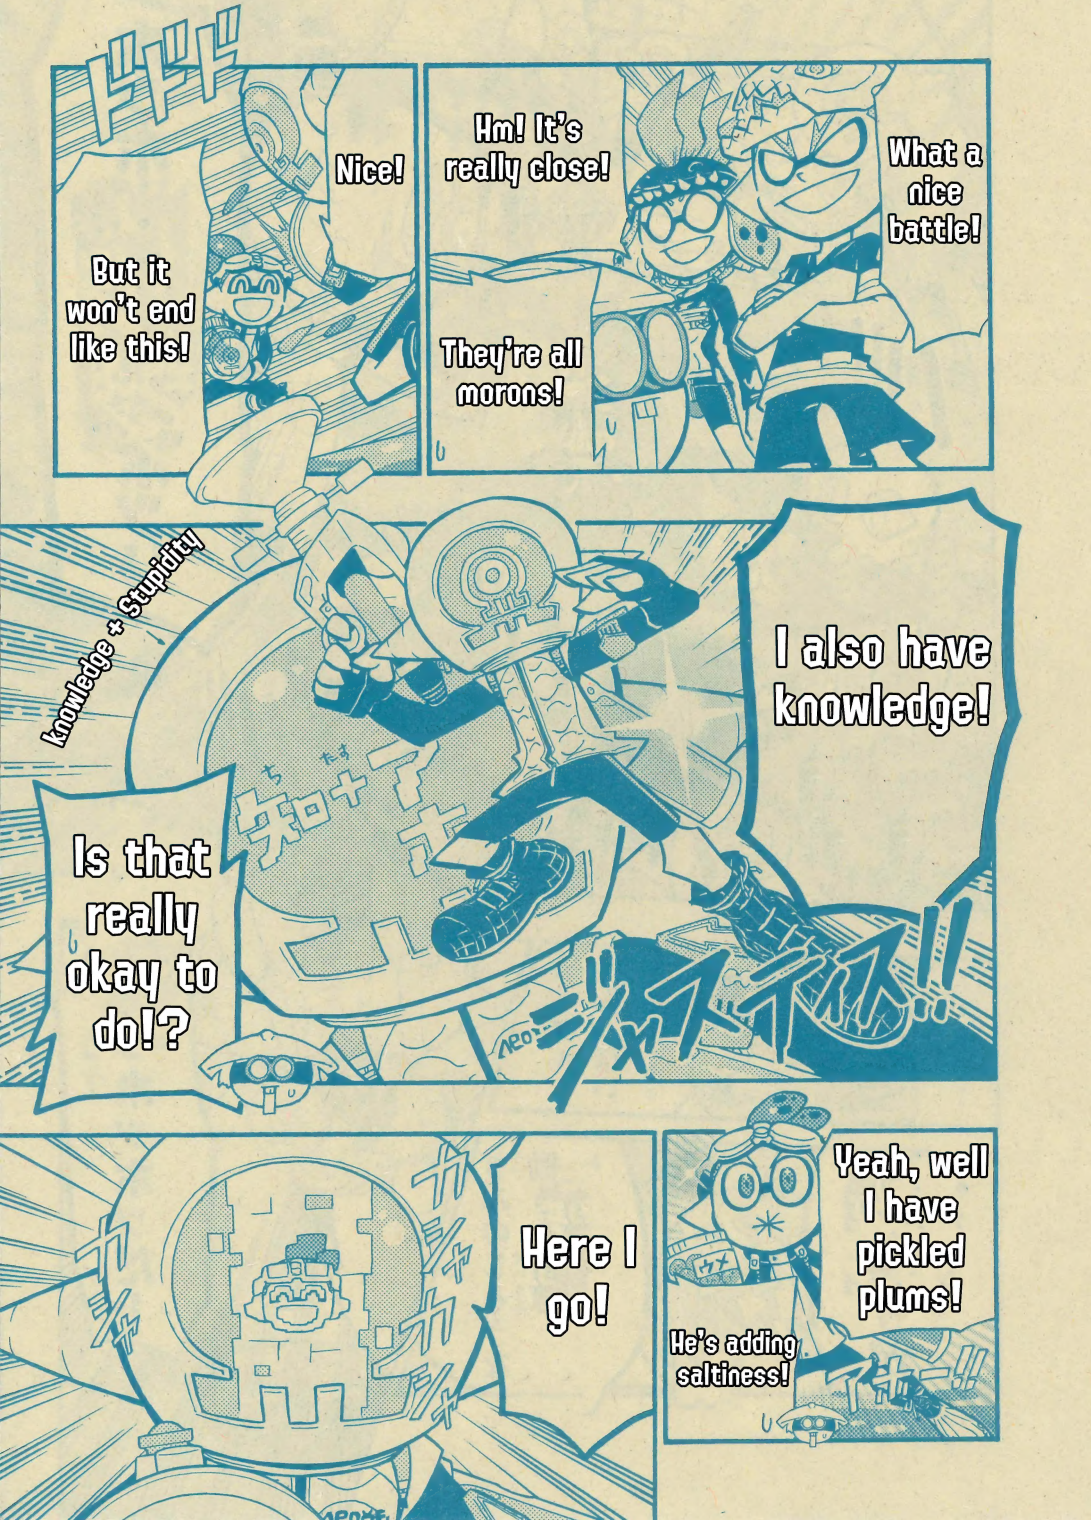
バヒューン
Wah!
They blew each other away!
Morons!
I've learned it!
ヒューン
So this is stupidity!
Here I go!
He actually did it!?
ピーヒョロロ
Stupidity installation, complete!
I'll show you the results of my efforts!

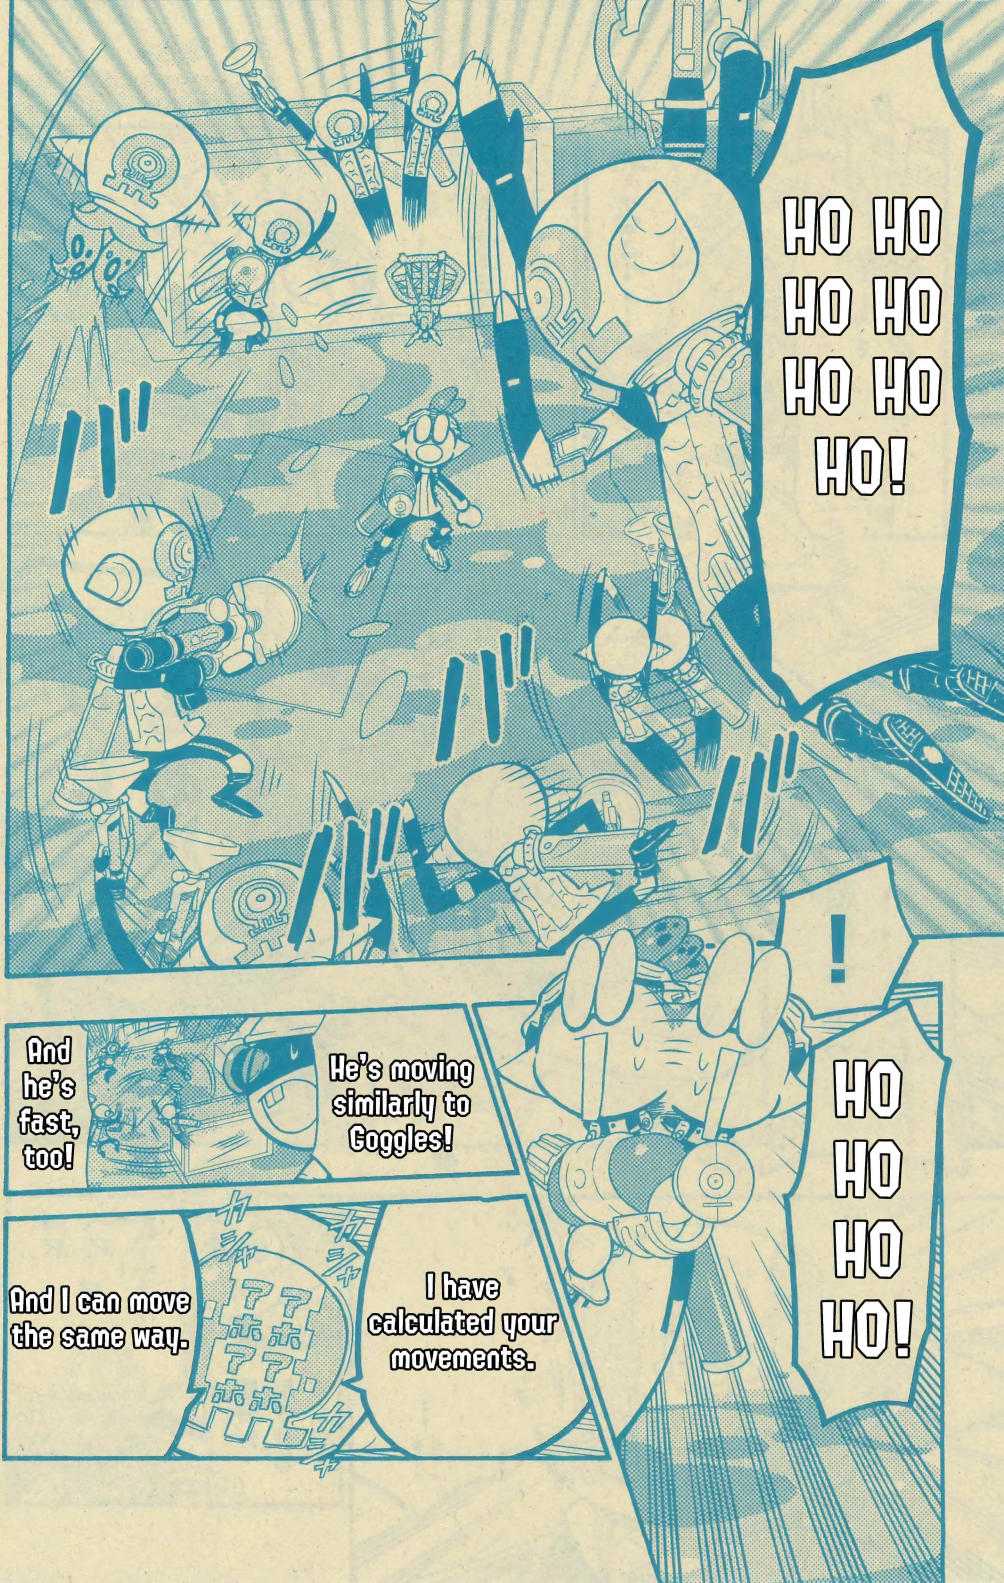
CHouhoukei! (rectangle)
CHEck!
CHizu! (map)
They're all words that use Chi!
That's what Goggles did before!

Ah! The last one ended with "n"!
CHouchin! (lantern)
CHoucho! (butterfly)
CHuuou! (center)
CHikoku! (late)
Ah-
This isn't shiritori!

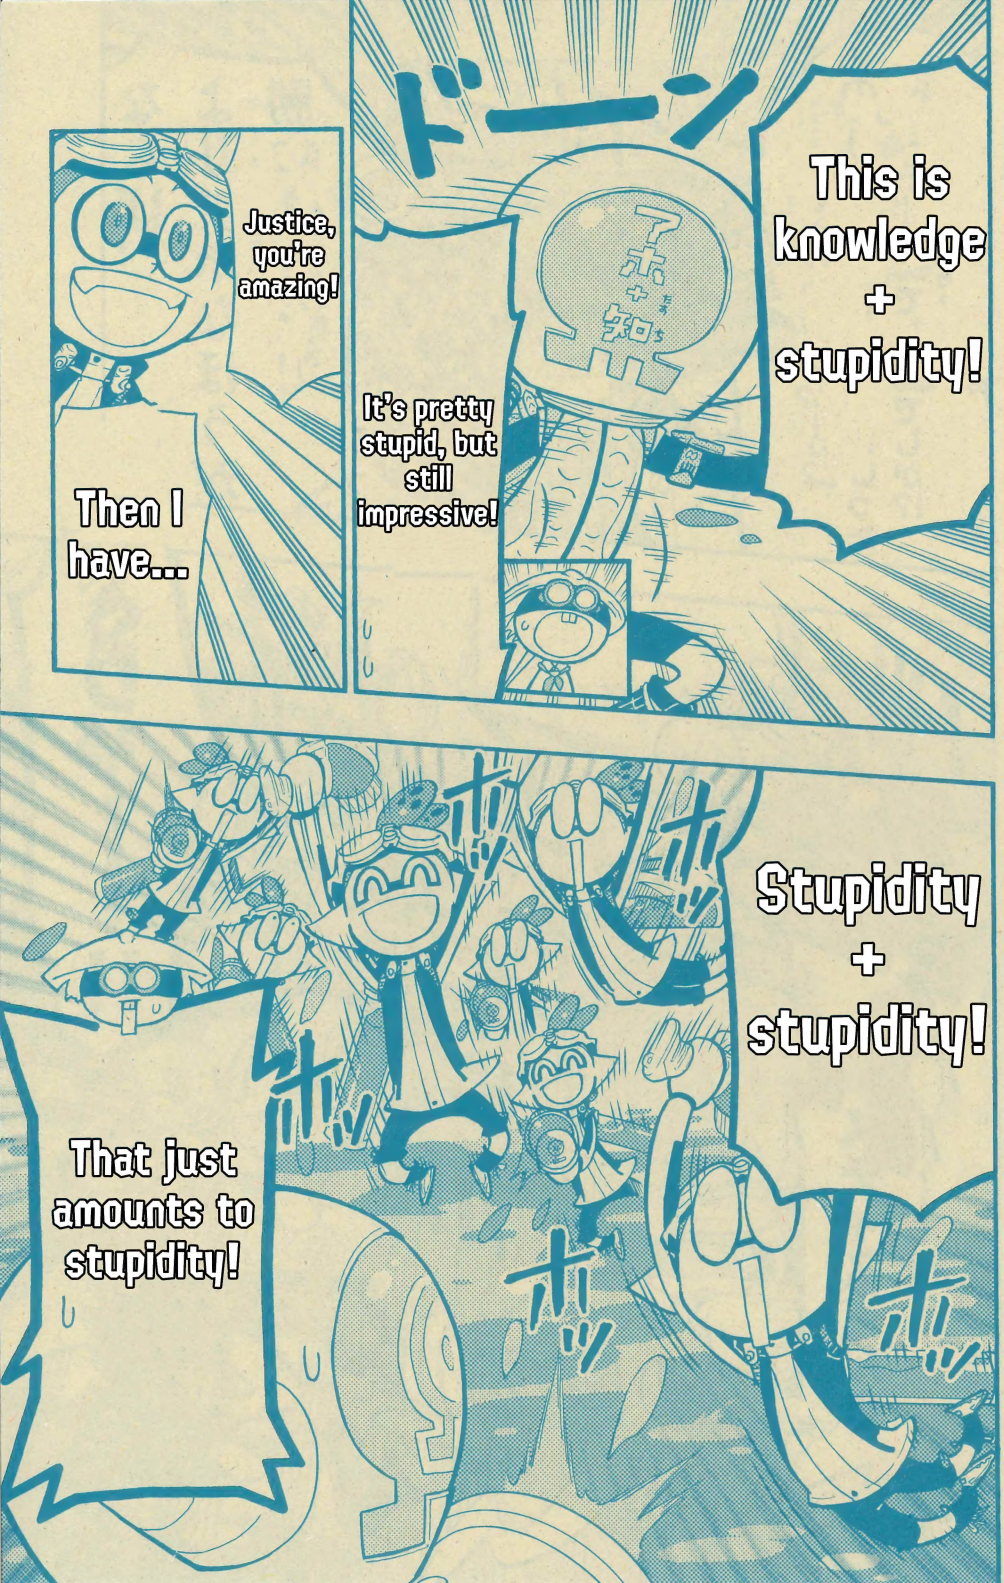
Alright, me too!



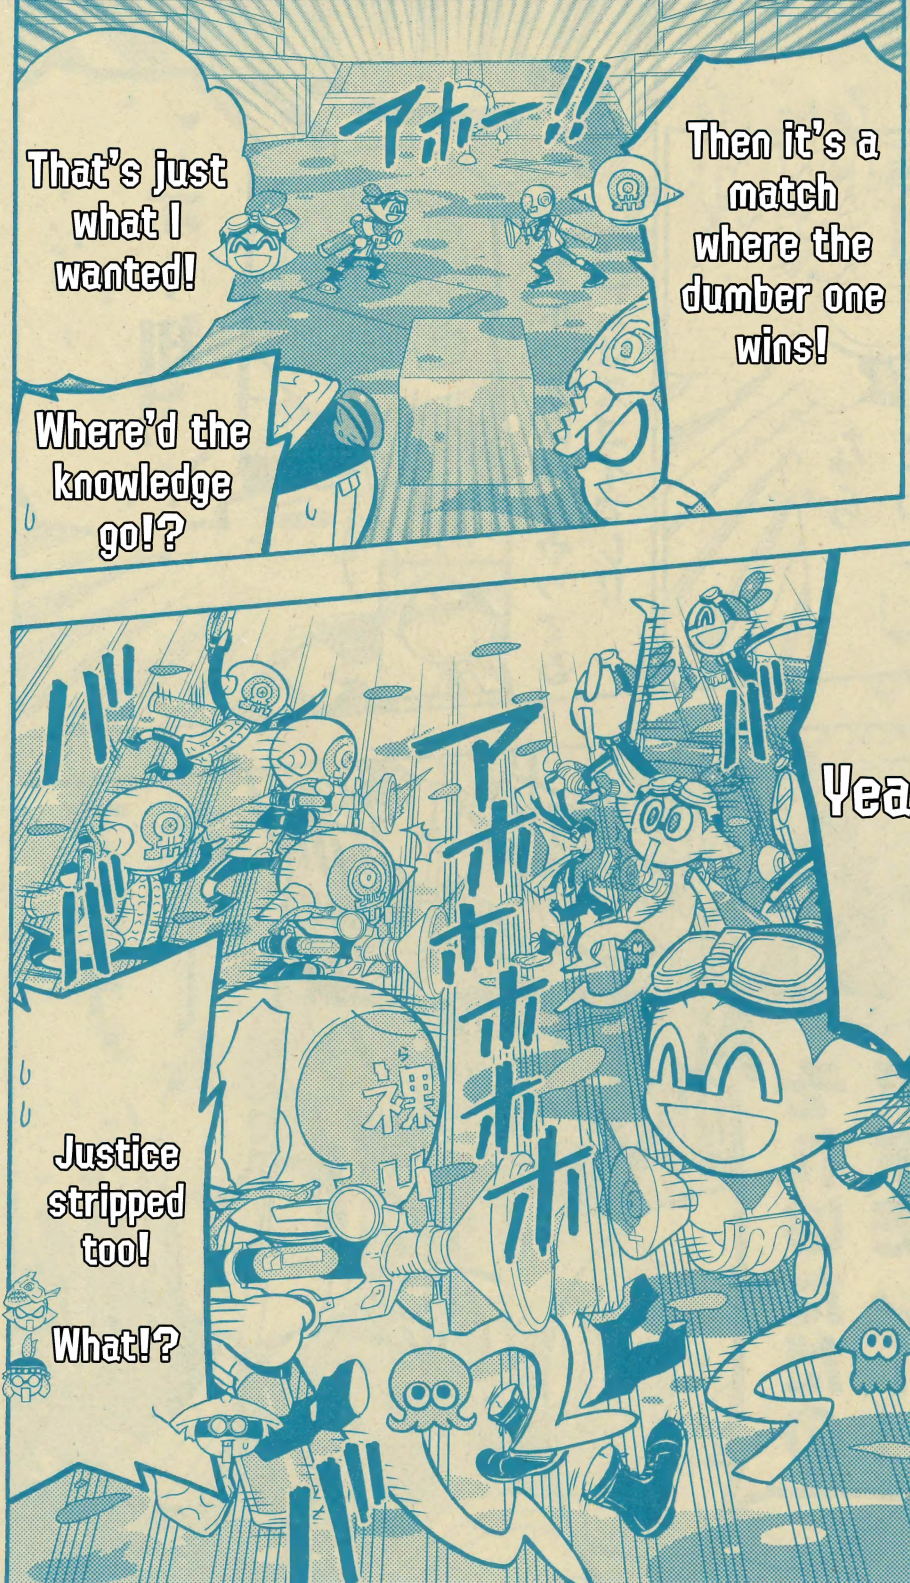
ドドド
Nice!
But it won't end like this!
Hm! It's really close!
What a nice battle!
They're all morons!
knowledge + stupidity
I also have knowledge!
Is that really okay to do!?
ニヤスイト!!
Here I go!
Yeah, well I have pickled plums!
He's adding saltiness!
アカー!!



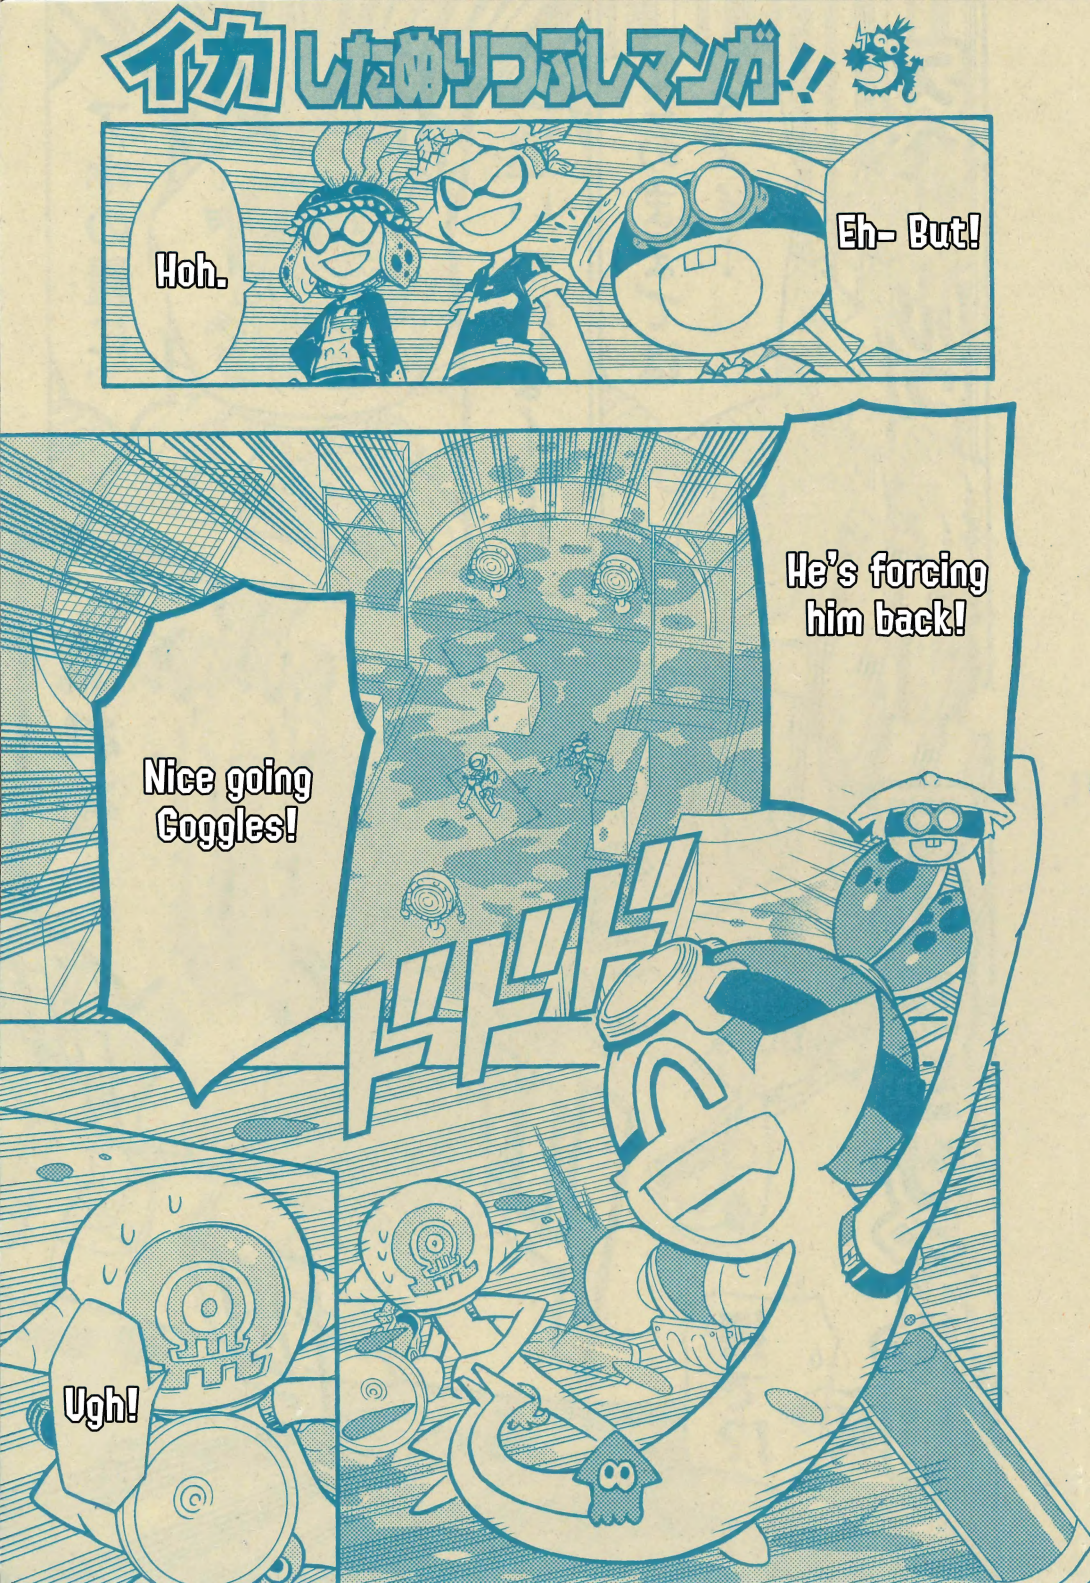
HO HO HO HO HO HO!
!
HO HO HO HO!
He's moving similarly to Goggles!
And he's fast, too!
I have calculated your movements.
And I can move the same way.



ドーン
This is knowledge + stupidity!
It's pretty stupid, but still impressive!
Justice, you're amazing!
Then I have...
Stupidity + stupidity!
That just amounts to stupidity!

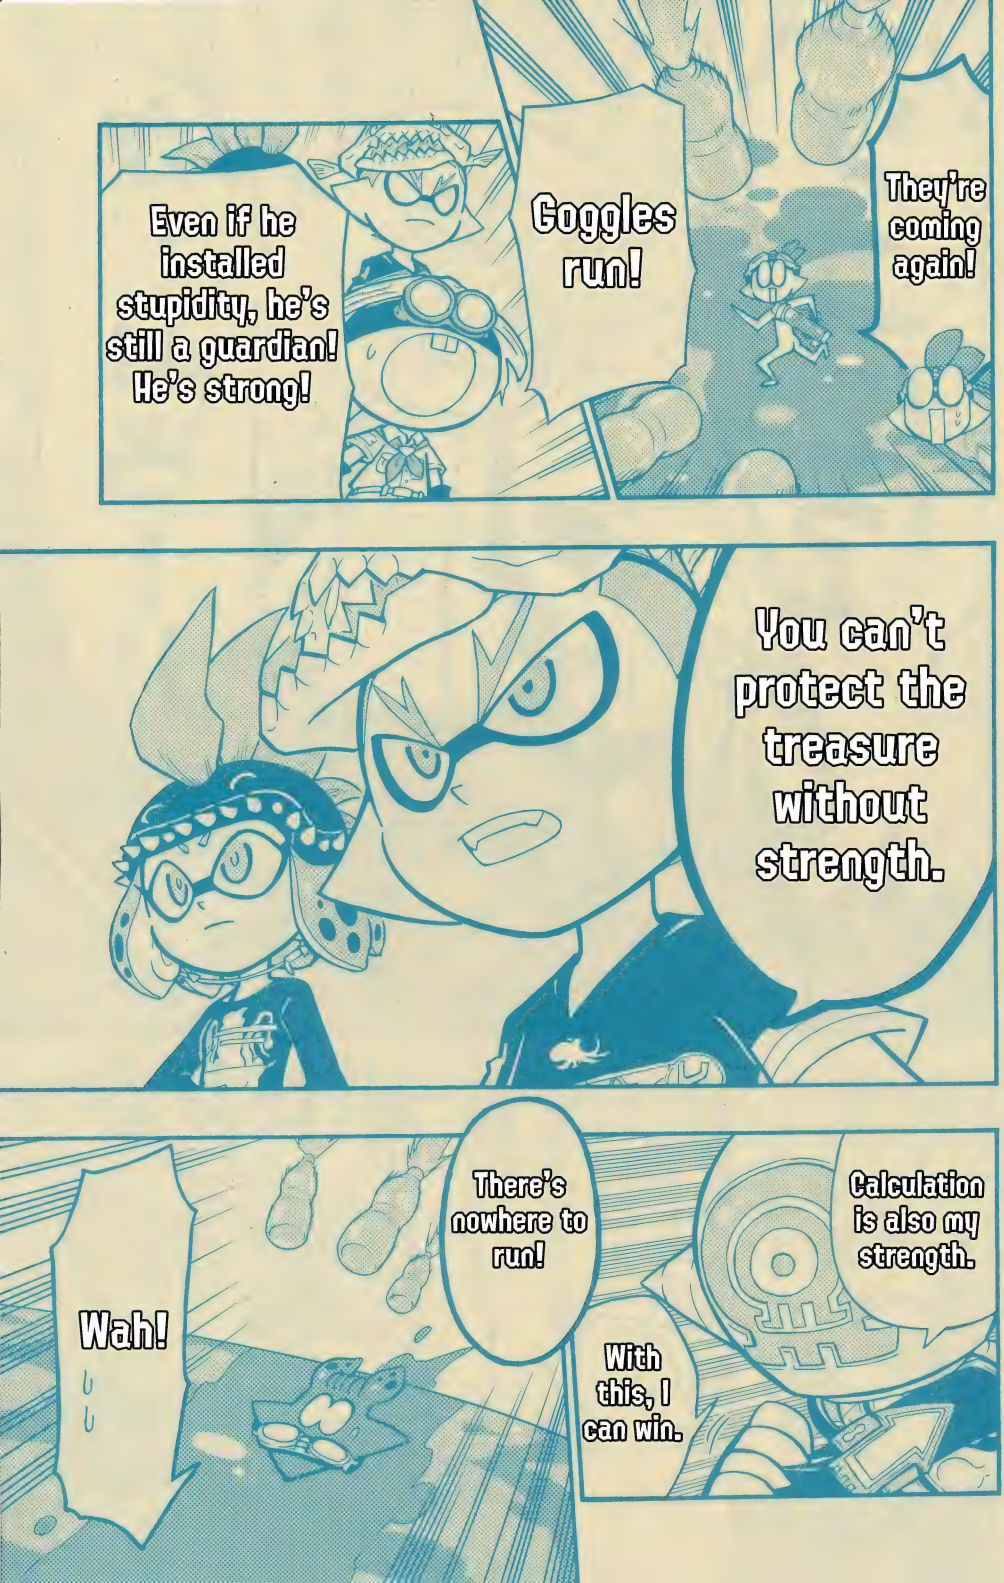


That's just what I wanted!
アホー!!
Then it's a match where the dumber one wins!
Where'd the knowledge go!?
Yeah!
アホホホホ
Justice stripped too!
What!?



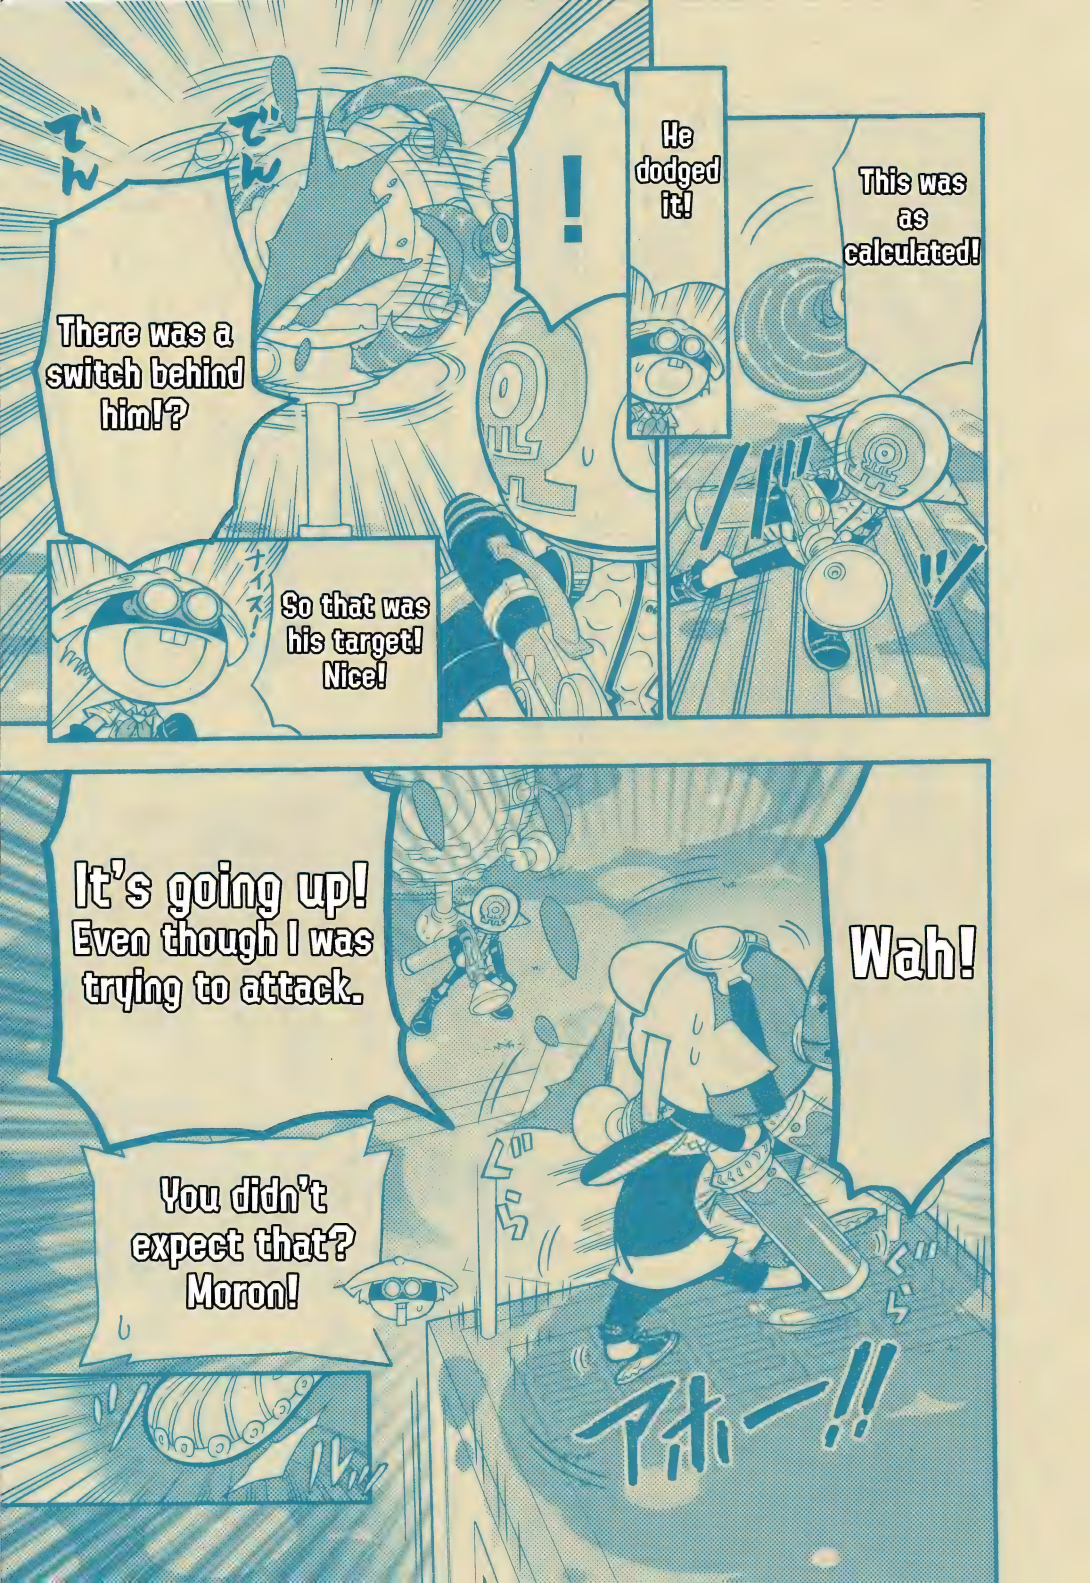
イカしたぬりつぶしマンガ!!
Hoh.
Eh- But!
He's forcing him back!
Nice going Goggles!
ドドド
Ugh!

スペシャルウェポン
マルチミサイル!!
This is bad!
...with the amount of stupidity!
I can't keep up...
I'll change the flow of battle!
Naked!?

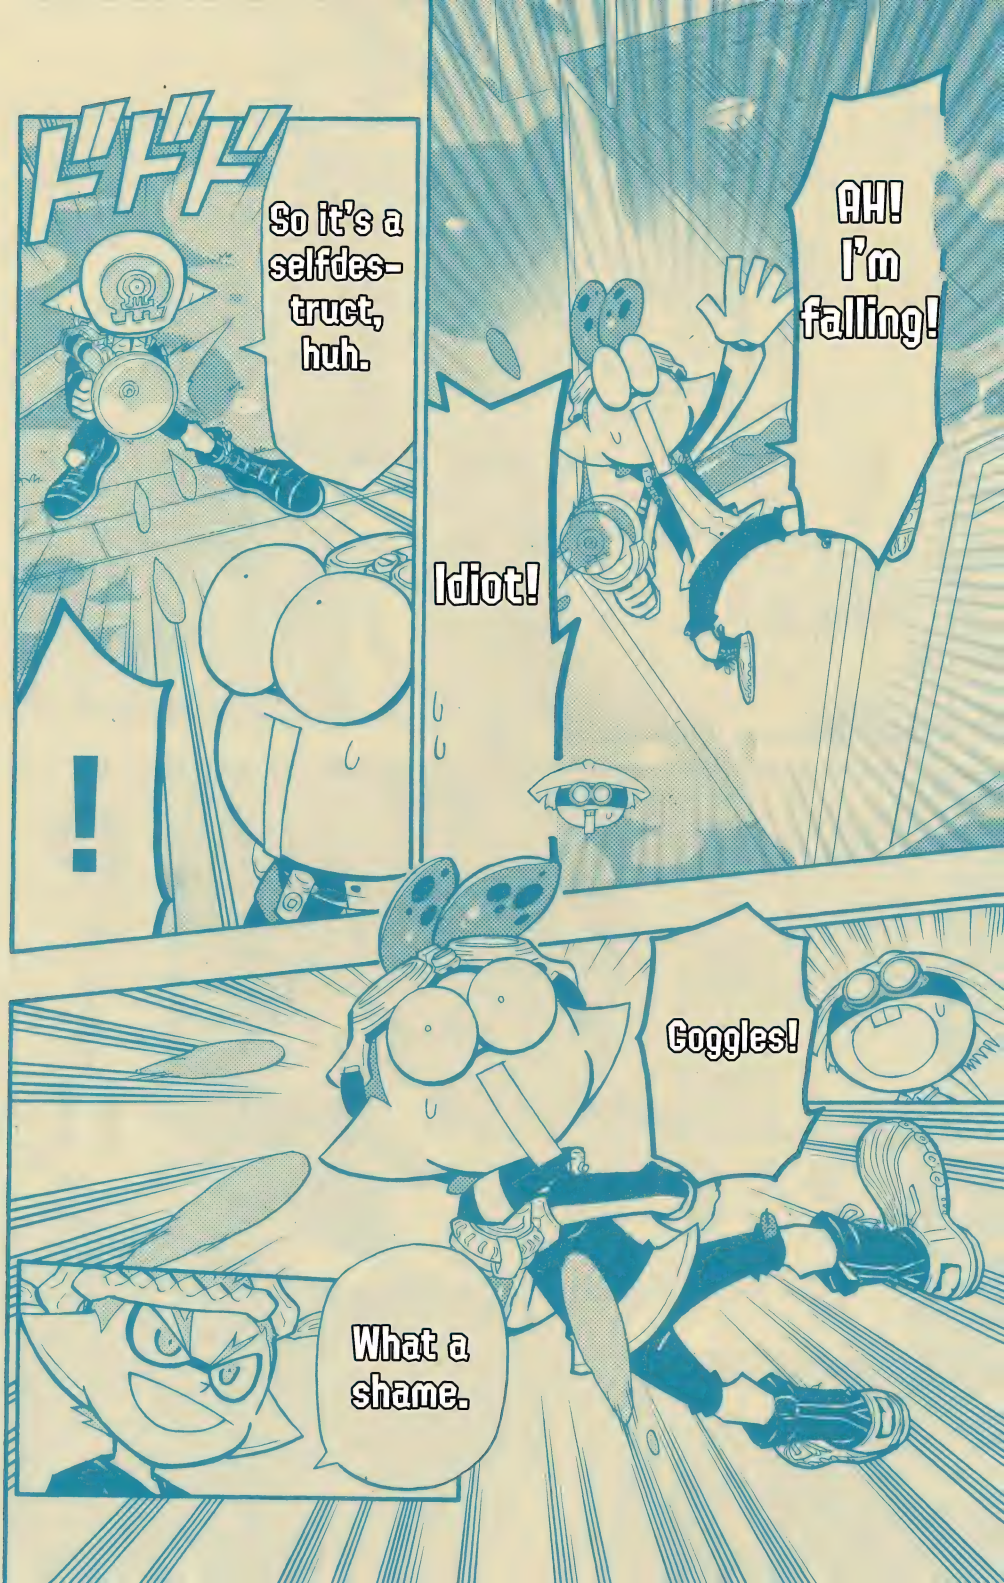


Even if he installed stupidity, he's still a guardian! He's strong!
Goggles run!
They're coming again!
You can't protect the treasure without strength.
There's nowhere to run!
Calculation is also my strength.
With this, I can win.
Wah!

There!?
Hide!
!
Yah!
However, I suffered no damage! since it's my own ink
This is outside my calculat-ions!

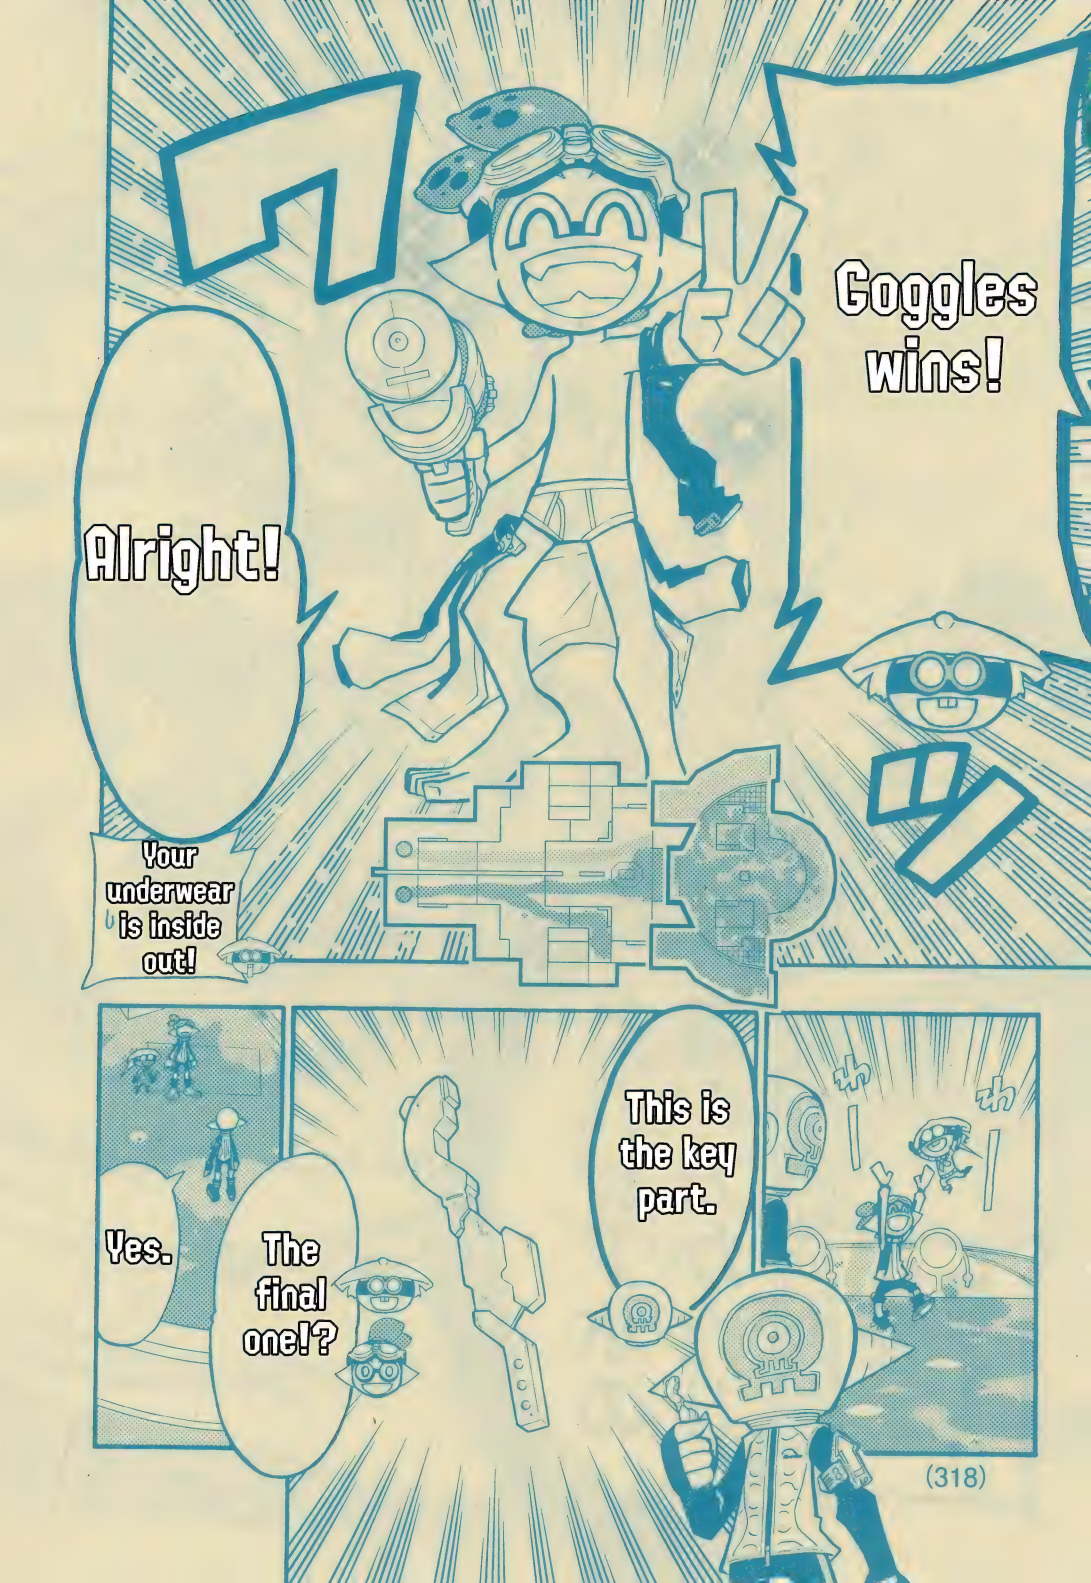


でん
でん
There was a switch behind him!?
So that was his target! Nice!
ナイス!
!
He dodged it!
This was as calculated!
It's going up! Even though I was trying to attack.
You didn't expect that? Moron!
Wah!
ぐら
ぐら
アホー!!

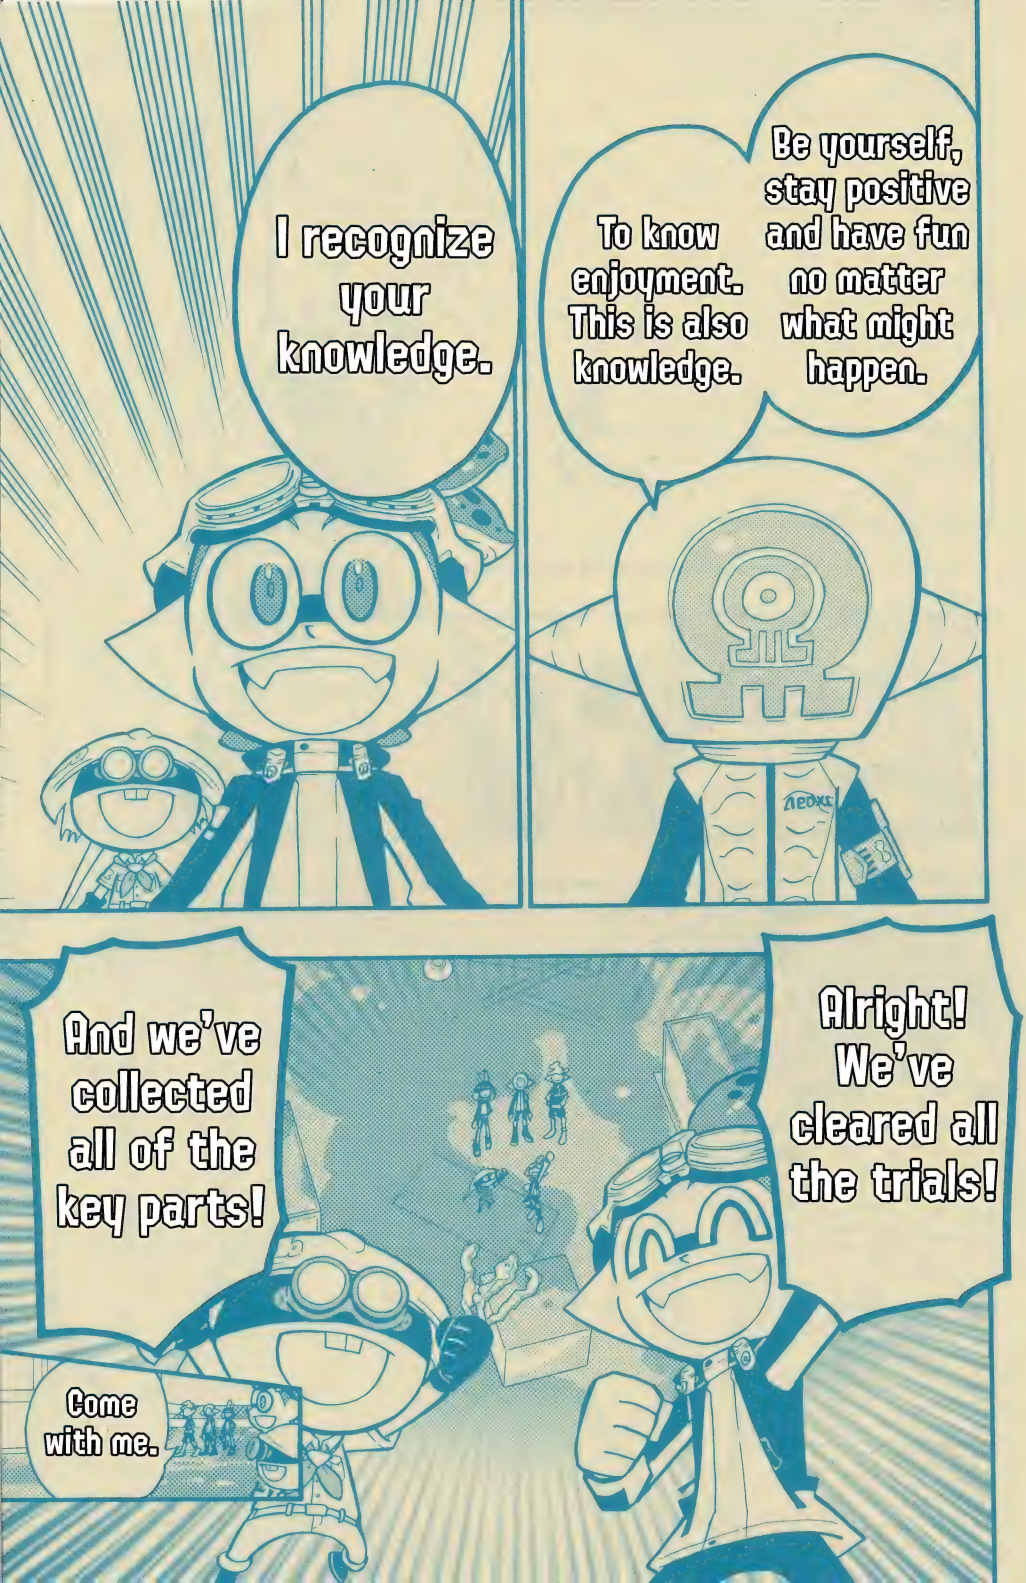


ドドド
So it's a selfdes-truct, huh.
!
AH! I'm falling!
Idiot!
Goggles!
What a shame.

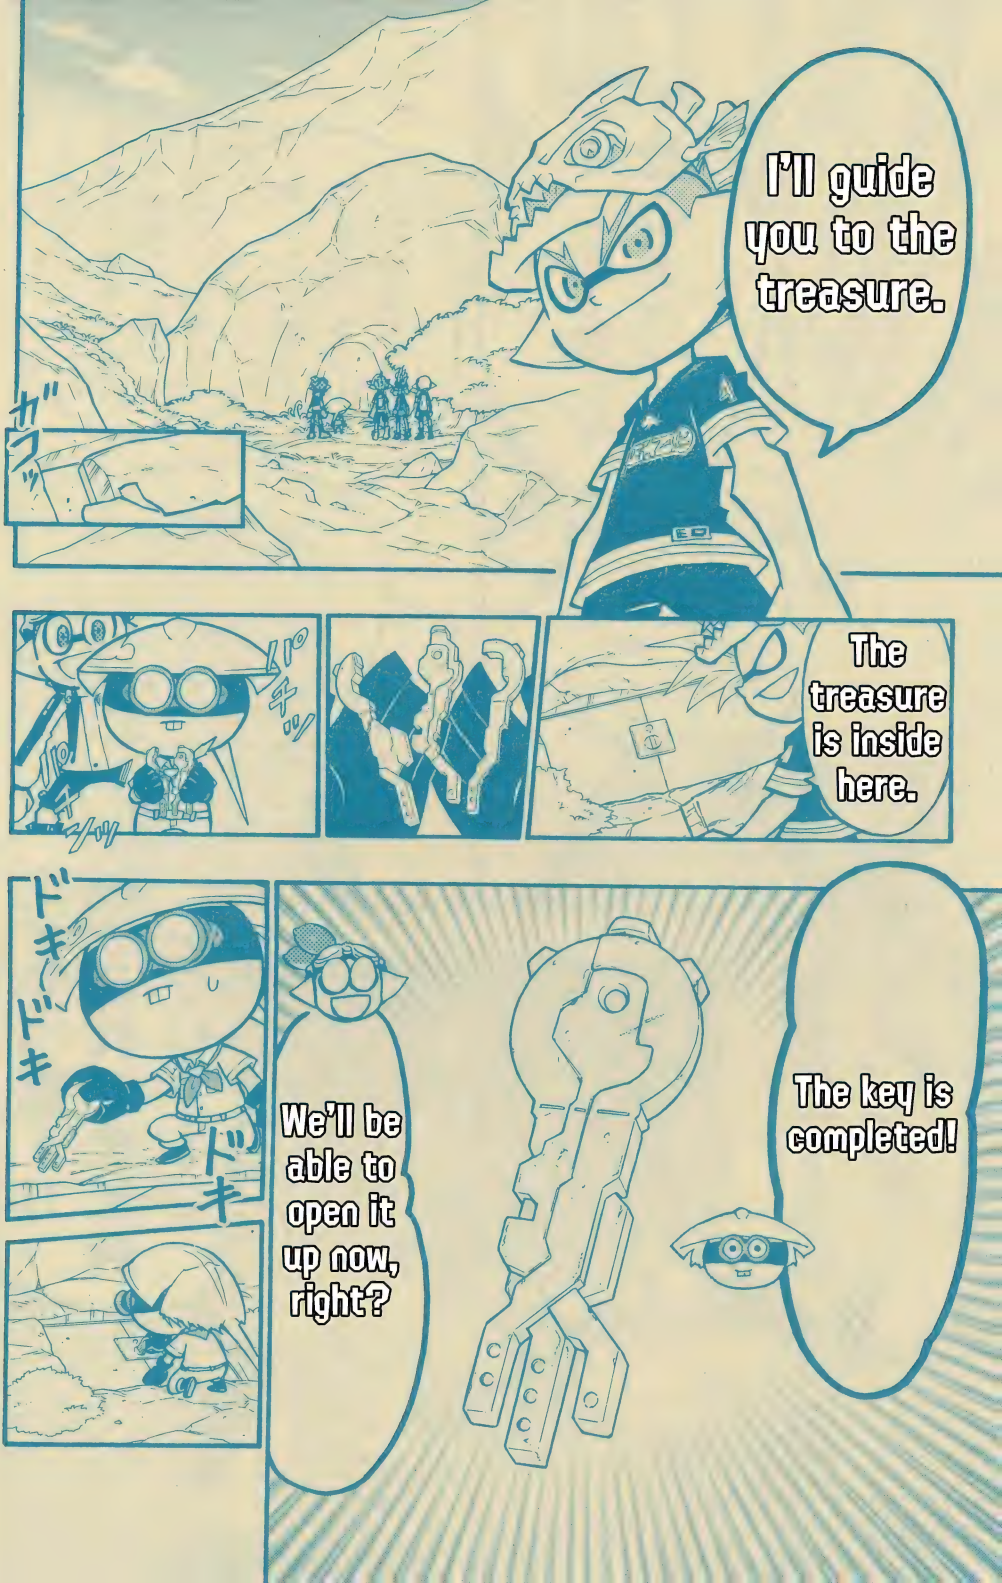
ヒョイ
スペシャルウェポン!!
I just need to do it like this, then!
He stripped again!



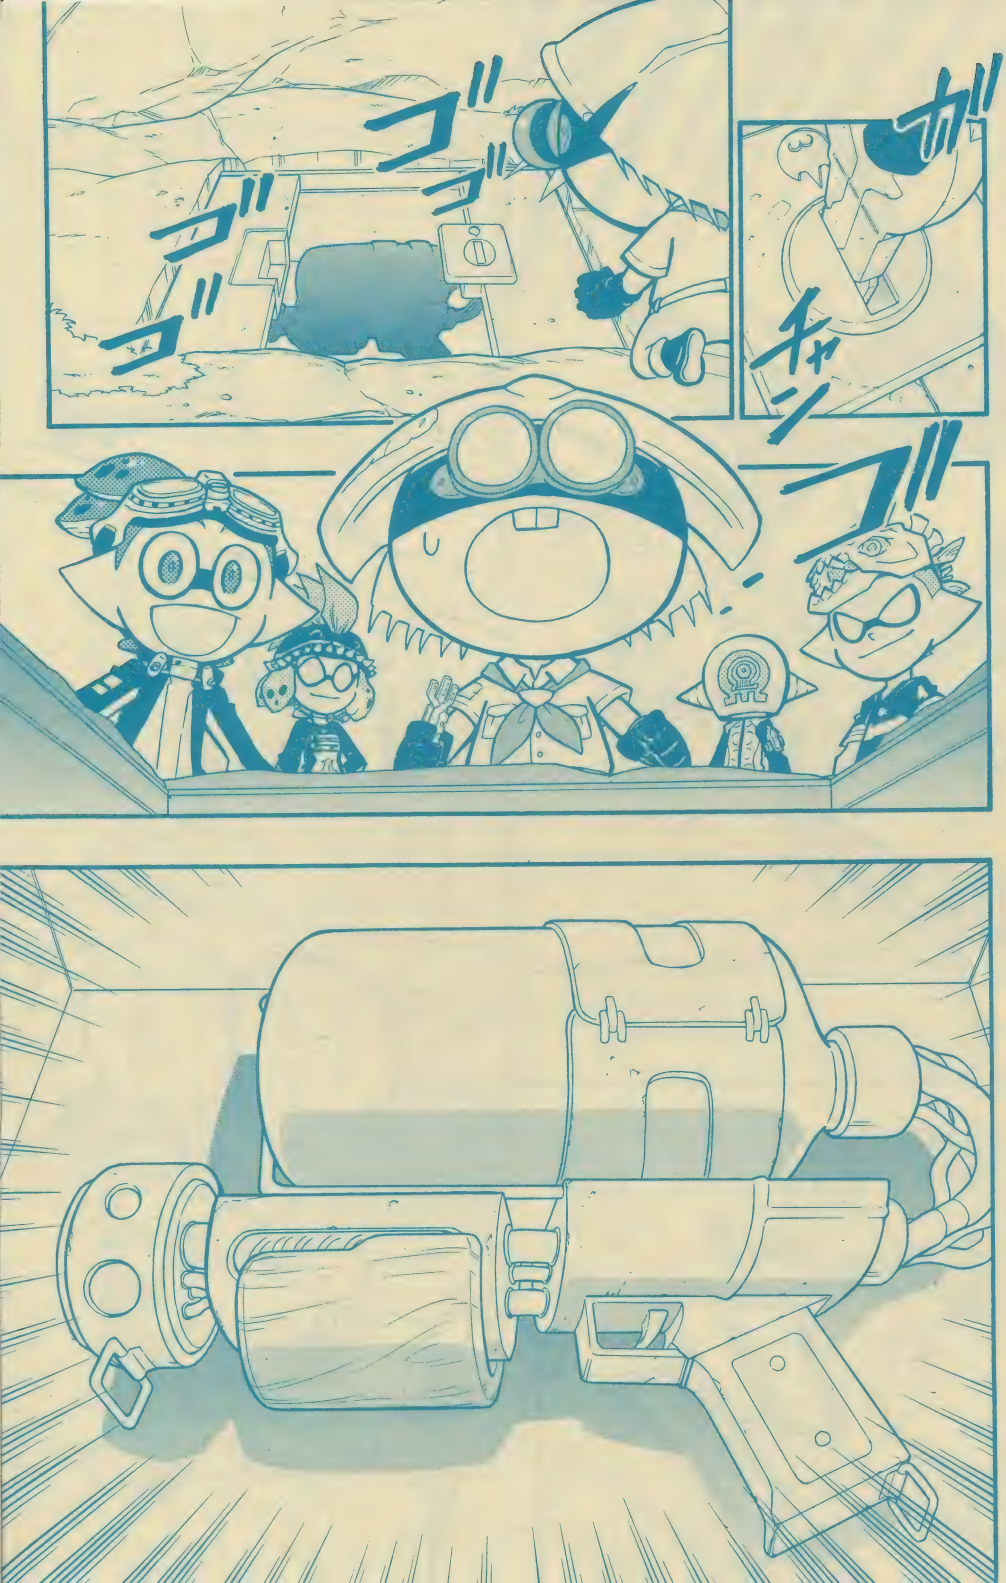
Goggles wins!
Alright!
Your underwear is inside out!
This is the key part.
The final one!?
Yes.



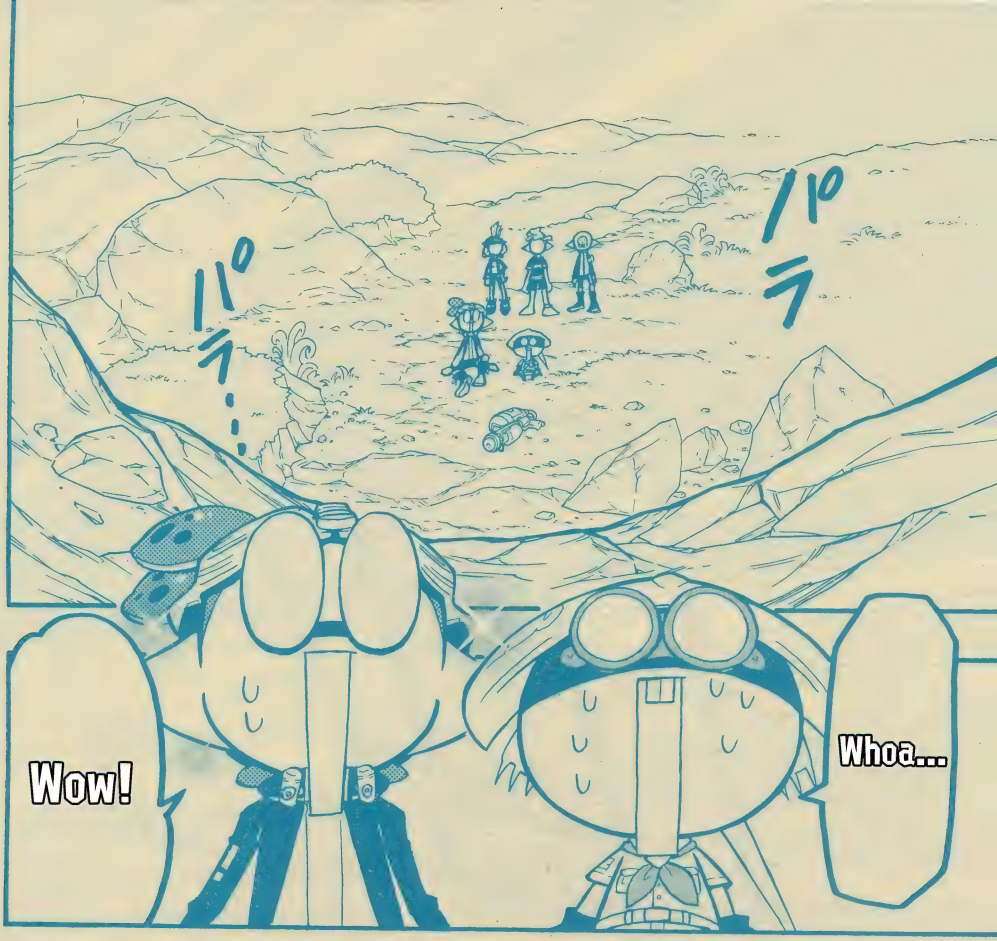
I recognize your knowledge.
To know enjoyment. This is also knowledge.
Be yourself, stay positive and have fun no matter what might happen.
And we've collected all of the key parts!
Alright! We've cleared all the trials!
Come with me.



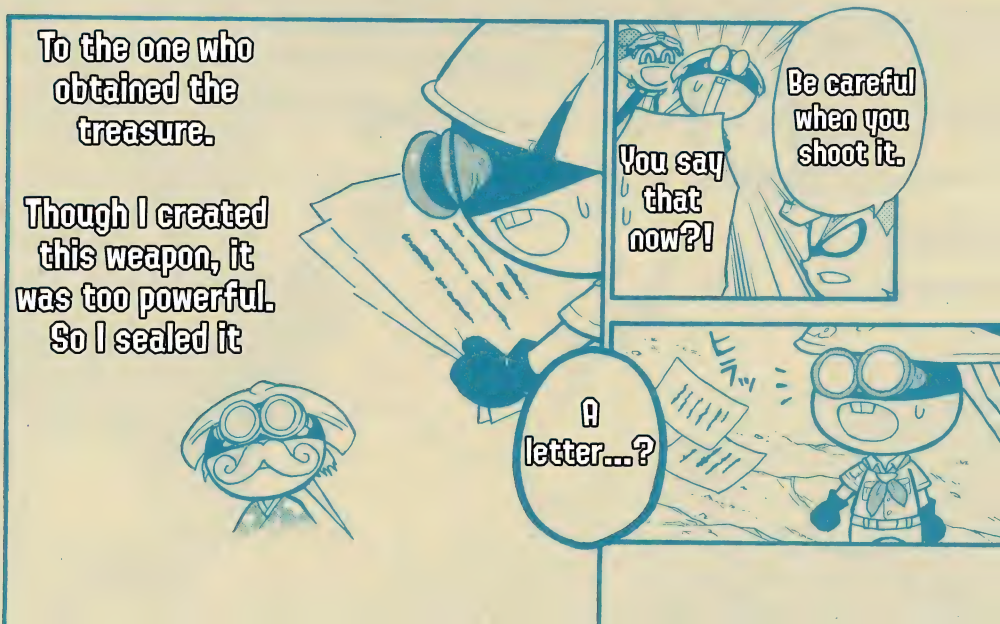
I'll guide you to the treasure.
ガラッ
The treasure is inside here.
ドキドキ
We'll be able to open it up now, right?
The key is completed!



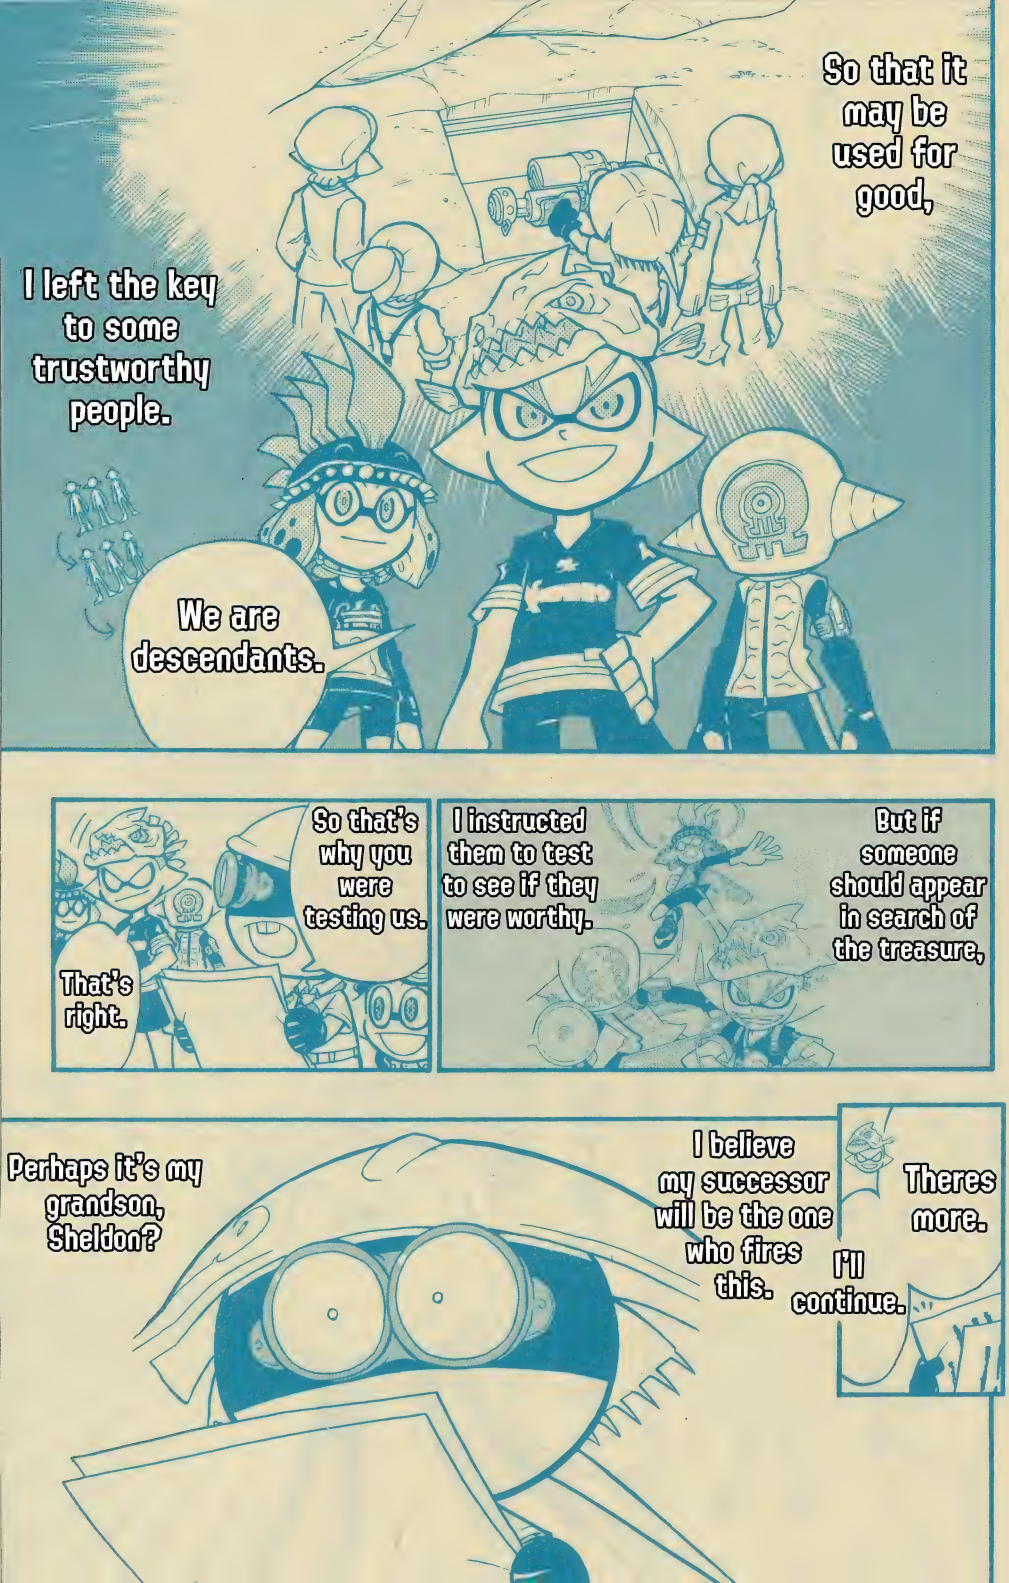
ゴゴゴゴ
カ!!
チャンス!!



パラ…
パラ
Wow!
Whoa…



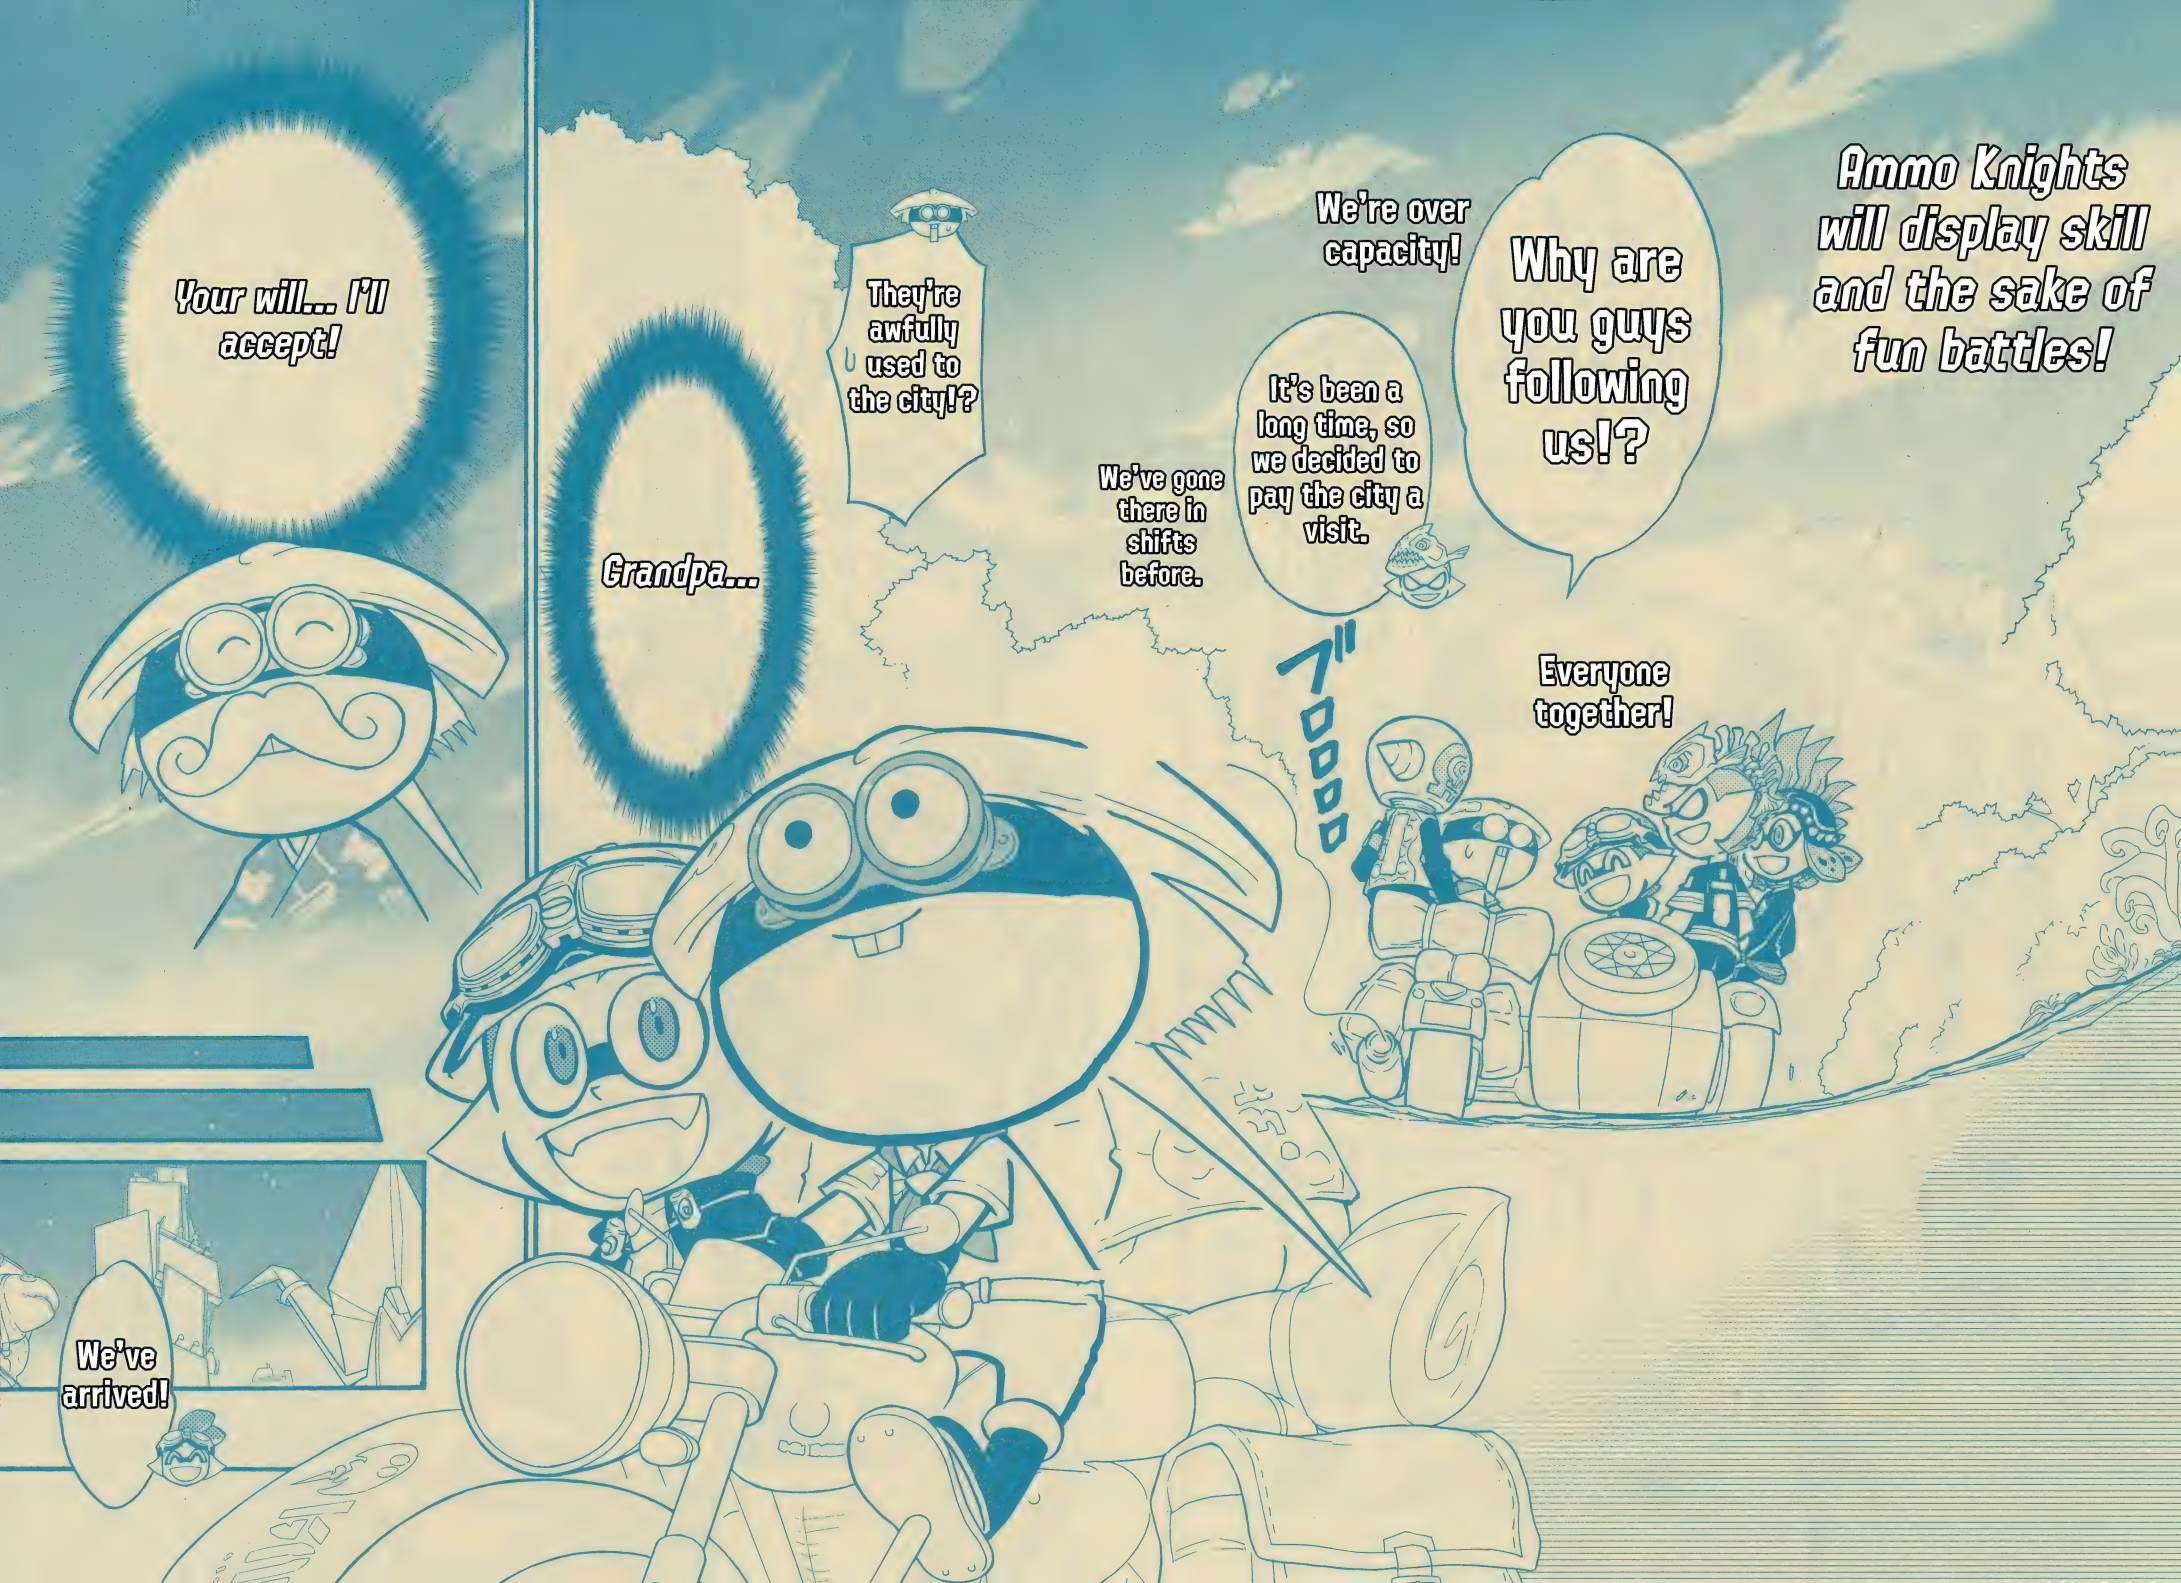
To the one who obtained the treasure.
Though I created this weapon, it was too powerful. So I sealed it
You say that now?!
Be careful when you shoot it.
A letter…?



So that it may be used for good,
I left the key to some trustworthy people.
We are descendants.
So that's why you were testing us.
That's right.
I instructed them to test to see if they were worthy.
But if someone should appear in search of the treasure,
Perhaps it's my grandson, Sheldon?
I believe my successor will be the one who fires this.
Theres more.
I'll continue.

I'd like you to use your skills for the sake of others.
If so, I'd be glad if you're still happily tinkering with machines.
Grandpa...!
Goggles
Yeah!
Thank you!
it sure is great that we came!
Sheldon

I'm glad it was them.
Yeah. They should be alright.
Instead of using this treasure as a weapon, I'll only study its construction.
So that everyone can continue to enjoy battling!
I'll take care of them!
I can't give my adorable weapons away for free.
So you're working hard in sales, huh.
And I'll sell products!
You're giving treats to a weapon!?
My determination as a weapon seller.
This journey helped me to reconfirm it!



Your will... I'll accept!
Grandpa...
They're awfully used to the city!?
We've gone there in shifts before.
It's been a long time, so we decided to pay the city a visit.
We're over capacity!
Why are you guys following us!?
Ammo Knights will display skill and the sake of fun battles!
ブロロロ
Everyone together!
We've arrived!

オオオ
It's already night.
Agreed!
First, let's get something to eat.
Order is beauty!

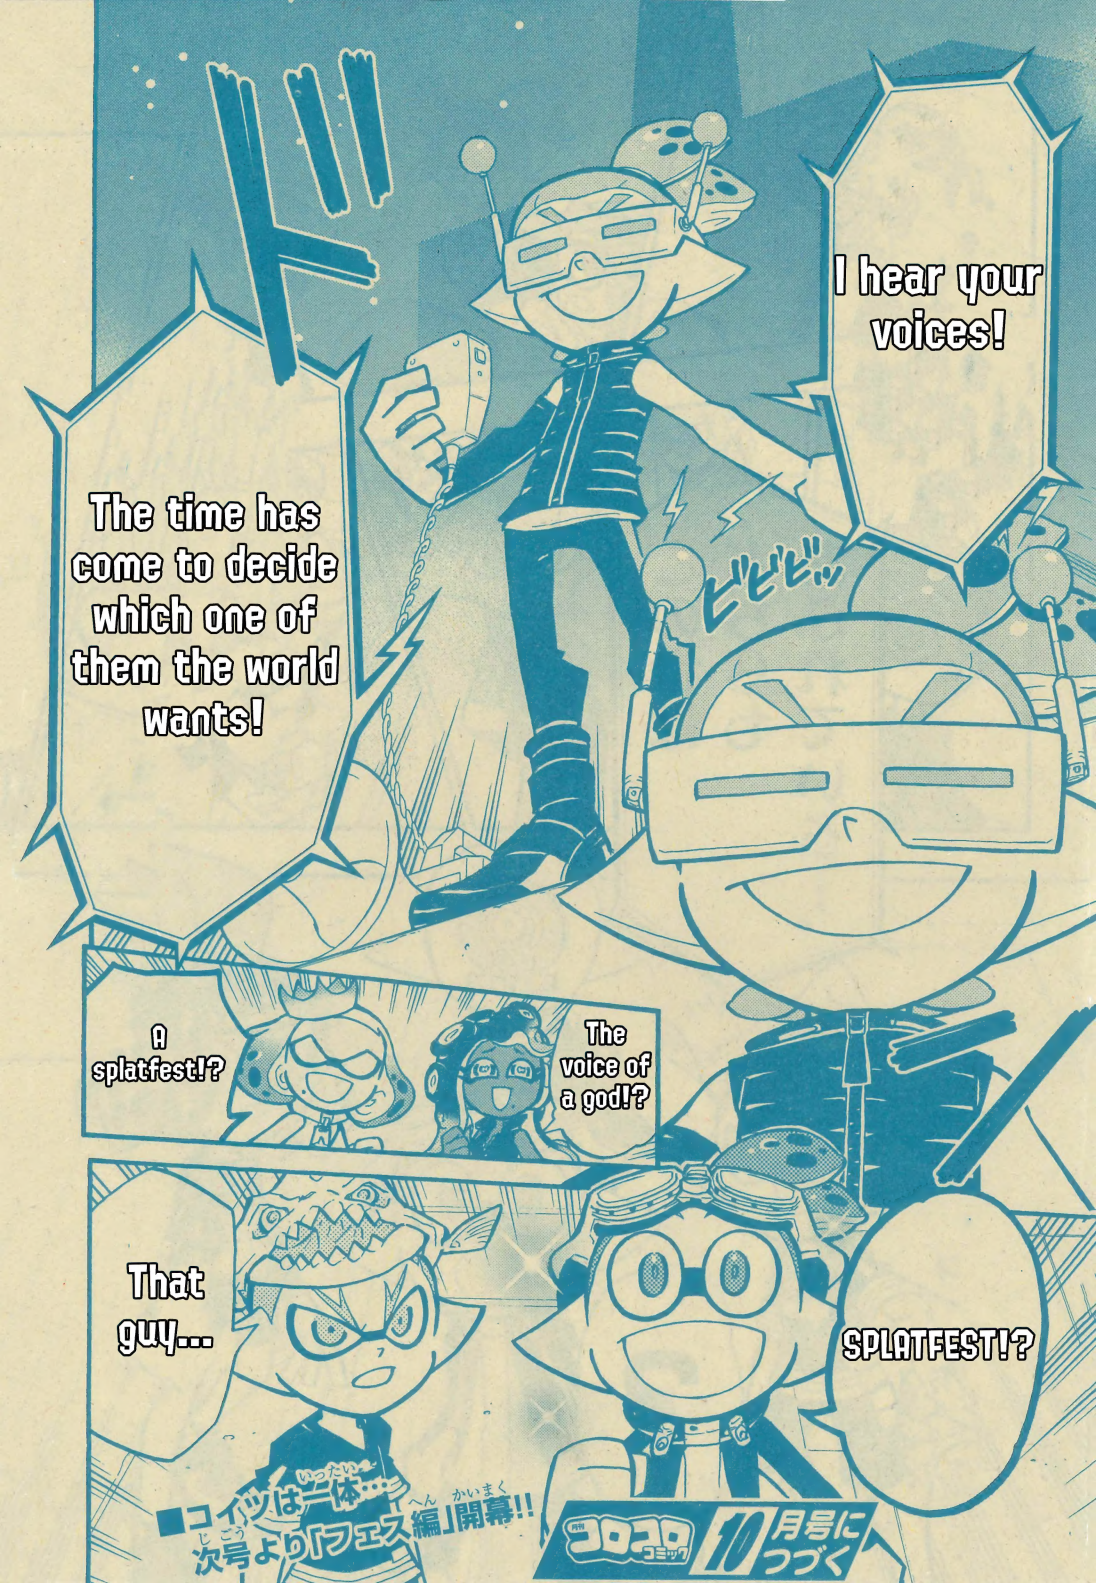
However...

This world is overflowing with both...
?



I hear your voices!
The time has come to decide which one of them the world wants!
ビビビッ
A splatfest!?
The voice of a god!?
That guy...
SPLATFEST!?
